

Researcher Position (On Assignment Basis)-China Sri Lanka Joint Centre for Education and Research

China Sri Lanka Joint Centre for Education and Research

University of Ruhuna

Researcher Position (On Assignment Basis)

CSL CER is looking for suitable individuals to engage in coastal water and low atmospheric observation and data analysis projects for a period of one (01) year, commencing from November 2025. An extension may be considered based on performance and availability of funds

Responsibilities

The position is responsible for handling research projects conducted by CSL CER while organizing coastal water cruise and operating un-manned vessel, maintaining air-sea flux tower and mounted observation instruments, communicating with the administrative staff of the University and relevant government agencies under the supervision of the Director.

Qualifications

Postgraduate qualifications related to Environmental Sciences, Marine Sciences, Meteorology, Physical Oceanography, Hydrology, or related study area.

Remuneration

Rs. 95,000.00 per month for a researcher with postgraduate qualifications (MPhil.),
Rs. 110,000.00 per month for a senior researcher with postgraduate qualifications (PhD).
